3	<p><b>Co-op Fund</b> MC will be applying for funding from the Co-op fund, asked JF if anything specific was needed. Maybe to support the Recycling / Zero Waste school or for equipment in the Wildlife area.</p> <p><b>Macphie</b> Macphie donate 1% of their profits to local communities, so KM suggested that might be a source to contact about ipads/computers.</p> <p><b>Wind Farm</b> There was some discussion around making an application to the Wind Farm, which have been unsuccessful in the past. I was decided another application would be made to see if we could be successful this time.</p> <p><b>De-fibrillator</b> This will potentially be moved to the church after discussion with Macphie. ZA suggested a Spelling Bee. A Fundraising Barometer was also suggested for the funds raised for ipads etc..</p> <p><b>Grand Raffle Prize Draw</b> AT will lead on this and go out to parents to see what prizes can be collected. We will then take this forward if successful in raising prizes.</p>
