

NURSERY WINDOW ON THE WEEK

Week beginning Monday 16th January 2023

We discussed the celebration of Christmas and festivals in the world around us. The children are keen to explore Chinese New Year.

The children would like to write their own Chinese symbols and explore the Year of the Rabbit using books and resources and create their own flag designs using play dough and other materials.

Each week we will be supporting their use of SHANARRI using our emojis. The focus for this week is inclusive as we discuss other cultures and festivals.
